

2019 Enrolment Form

Through all our fun and learning filled activities our children are learning:

to use both sides of their bodies, crossing the midline, co-ordinating movements and spatial awareness, strengthening core muscles & balance and enhancing gross, fine-motor and co-ordination skills

to play their musical instruments, keeping a steady rhythm and beat, singing, co-operating in a group and having fun.

social skills, sharing, caring, taking turns, working in pairs and being part of a group and to listen to and follow simple instructions

to use different instruments at different times, and to watch and copy actions and activities

creativity & imagination and problem-solving skills and maths abilities

We strive to offer you a professional and quality service. Should you find our service substandard, please arrange a formal meeting with your Teacher to discuss the matter.

Research Says: "Music-making stimulates the development of neural pathways in the brain that are involved in reasoning, creative thinking, decision-making, problem-solving and developing language and maths abilities"

Thank you for allowing us to be part of your child's most amazing and important Early Learning Years. We are looking forward to sharing many enriching and learning filled Music & Movement Moments with all our children.
